**Gunskirchen, Austria, April 24, 2015** – BRP-Powertrain will be supported by its long-term chassis partners at the 16<sup>th</sup> edition of the Rotax MAX Challenge Grand Finals (RMCGF) in Portimão, Portugal.

“With most of our chassis partners we can look back on many years of a well established relationship. We have been partnering with all of them in the past already. A good partnership is important for a fruitful cooperation,” is Helmut Voglsam, supervisor, Rotax Kart Engines, convinced. “We are pleased to have them on board again.”

The chassis partners in 2015 are Praga with its chassis for the Rotax 125 Junior MAX category, Sodikart, partner for many years who is supporting the Rotax 125 MAX and Rotax 125 MAX DD2 Masters class and BirelART supporting the event in the Rotax 125 MAX DD2 category.

“All the SODIKART team will work hard to increase again the quality of the service provided, and satisfy all the drivers with our fantastic chassis SODI Sigma RS for the Rotax 125 MAX and DD2 for the Rotax 125 MAX DD2 Masters category”, said Bertrand Pignolet, CEO Sodikart.

“We are very pleased to confirm that also for this year BirelART will be partner for the Rotax MAX Challenge Grand Finals in 2015. For the first time we will supply the Rotax 125 MAX DD2 category with our well-known chassis model CRY 30 S7 DD2 (2016 version),” stated Ronni Sala.

“We are proud to be Rotax partner for the 4th consecutive year. Our next experience, under the global exposure of this important event will be the involvement in the Rotax 125 Junior MAX category with our best selling chassis PRAGA DRAGON EVO with a new homologation in 2015. We are grateful to be involved among top level partners,” said Daniel Sliva, Chairman of the Board, IPKarting.

The Rotax MAX Challenge Grand Finals 2015 where 288 drivers from close to 60 countries will race for the title in four categories will occur at the International Karting Circuit of Portimão in Algarve, Portugal from November 8 to 14, 2015.
