Dear distributor, Race organizer

With this Circular Letter we are sending you the first INFOLETTER for the RMCGF 2021 in Bahrain. This year we will create this Infoletters every time when we have new interesting details about Covid-19, Travel restrictions/regulations, Tourist infos, Visa/Entry-regulations for Bahrain, ... etc.

The Infoletters will be sent to our network and are published on our website for download. Please forward the information to your network and race organizers and ask to also hand-over the information to the drivers of the RMCs (online, via app or email) so the Rotax racers will be informed in time about any news and changes.
